RE: BA-03-23
Tamer Kharrubi
Bulk Variance Application
8 County Route 518
Block 24001, Lot 37, Montgomery Twp

Dear Cheryl:

As an addendum to the application in reference to the above captioned matter, the house was reduced in size and is now a two-bedroom house instead of a three-bedroom house and there are no lots in the surrounding area that can increase some of the bulks that we are asking a variance for.

Please attach this to the application when you send it out to the members of the Board of Adjustment.

Yours truly,
SCHATZMAN BAKER
