

Somerset County Business Partnership

The **Somerset County Business Partnership** is a chamber of commerce that partners with the public and private sectors to build a prosperous and sustainable future for the businesses and residents of Somerset County.

The SCBP believes that Somerset County is a special place to live and do business, where leadership can make a difference. Through the vibrant connections between the private, public, and nonprofit sectors, we make Somerset County a better place to live, work, play and learn. If you are interested in growing your business and working with us to achieve our mission, we invite you to join our organization.

The Partnership welcomes all area business owners in Somerset County, NJ. Through advocacy, sharing access to information, and hosting events and networking opportunities, this chamber serves the diverse needs of its members, which include small and large businesses and non-profits.
