

Economic Development Commission's Annual Printed Business Directory

Distributed to All Households & Through Businesses

EDC's local business directory has returned year after year by popular demand! The Montgomery Economic Development Commission compiled a new edition of the printed business directory each year and distributed it in May/June to all Montgomery households. The EDC designed the directory for the maximum benefit of all advertisers. Copies may also be found at the reception area of the Township offices, and at participating businesses including ShopRite. Over 75 businesses participate each year. There is a fee to participate to cover the costs of layout, printing, mailing, etc.

Please [edc \[at\] twp.montgomery.nj.us](mailto:edc@twp.montgomery.nj.us) (email for further information). There is also a [free on-line business directory](#) for any Montgomery-based business, found on this website.

Beyond the directory, the Economic Development Commission welcomes new members each year. Inquiries are always welcome! The Commission is also working on a new project to further educate and benefit our local business community. If you are interested in learning more about the EDC, please contact EDC Chairperson Arun Mani.
