

Deer Hunting Season Begins Sept. 9

News Release Date

09-05-2023

The 2023-24 Montgomery Township Deer Management Program begins September 9 with fall bow hunting and ends February 17 after winter bow.

All Township properties where deer hunting is allowed will be clearly marked with bright orange signs.

While the Montgomery Township Deer Management program takes place on

specific public open space properties and Montgomery's program prohibits hunting on Sundays, private property owners may independently allow hunting on their land any day of the week.

For further information on Montgomery's Deer Management program, including links to open space maps of Montgomery's program locations, see the [Deer Management Program](#) page.

[For further information on the deer season by State management zones.](#)

Montgomery is in Zones 12 & 14
