

Library Closed Nov. 9, Open Nov. 11 & 25

News Release Date

11-07-2022

All Somerset County Library System of New Jersey's (SCLSNJ) branches will be closed on Wednesday, November 9, 2022 for a staff in-service, system-wide training event.

All branches will be OPEN Fri. 11/11, 10am-6pm (Veterans Day) and the Montgomery branch will be open Fri. 11/25, 10am-6pm (Day after Thanksgiving) as will any branch that is normally open on Sundays.

"Learning and development is an important value to SCLSNJ and extends to our staff," said Cassandra Collucci, system training manager. "Having a designated day where we can bring 11 branches and departments together is indispensable. Our staff in-service day committee works diligently to create a well-rounded day that highlights innovative staff talent and ideas and also the experience and knowledge of outside presenters, which in turn influences the future services we offer our library customers."
