III. ADMINISTRATIVE BUSINESS

A. EXTENSION REQUEST

Case PB-07-04 Applicant: Marc Brahaney
Block 11003 Lots 6 & 7
Extension of Preliminary and Final Major Site Plan and Variance

Richard Schatzman, Esquire represented the applicant. The subject lots have been merged and are now known as Lot 6. The property is in the MR zone and is within Planning Area 5. Board approval was needed because the entire lot is within the stream corridor. Since the property is within Planning Area 5 the Permit Extension Act does not apply. Due to the economic times the applicant is requesting a one year extension of the approval until October 11, 2013. The conditions of the Board's approval have been complied with.

Ms. Coppola confirmed that there have been no changes to the zoning regulations since approval was granted.

Chairman Some opened the meeting to the public. The Board voted unanimously to close the public hearing.

A motion to approve the extension was made by Mr. Wilson, which was seconded by Mayor Trzaska. This was carried on the following roll call vote:

Ayes: Conforti, Davis, Dyer, Glockler, Matthews, Trzaska, T. Wilson and Some
Nays: E. Willson

IV. APPLICATIONS

Bartolone gave calculations based on the Shade Tree Committee's recommendation. Mr. Schatzman opined that the 14 trees per gross area for lots of this size doesn't work given the amount of money that would have to be posted. The applicant has agreed to the comments in the Open Space Committee memo dated August 6, 2012. The subdivision will not be perfected until the LOI is issued and reviewed by Township staff.

Ms. Coppola asked that the applicant provide a sales disclosure notice that the maintenance/garage building can not be utilized for anything other than residential storage or other typical ancillary uses permitted by the ordinance for residential use unless approval is granted by either the Planning Board or Zoning Board of Adjustment. Mr. Schatzman agreed.

Chairman Some opened the meeting to the public. The Board voted unanimously to close the public hearing.

Mr. Glockler asked that the applicant post the house number clearly on the mailboxes so emergency services can find the house.

A motion to approve the application subject to the conditions was made by Mr. Conforti, which was seconded by Mayor Trzaska. This was carried on the following roll call vote:

Ayes: Conforti, Davis, Dyer, Glockler, Matthews, Trzaska, E. Willson, T. Wilson and Some

Nays: None
