Block 6001 Lot 5
Export Soil from Country Classics at Fox Brook

Richard Schatzman, Esquire represented the applicant.

Todd Van Cleef, 295 Douglas Road, was sworn in. Mr. Van Cleef testified that he is seeking approval to export surplus fill from the project off Montfort Drive to his project in Hillsborough off Amsterdam Drive. All approvals and testing have been obtained for Hillsborough to accept the fill. He will be exporting approximately 15,000 cubic yards. It will be an ongoing process; most of the fill is coming from the excavation of the two onsite detention basins. The hauling will not conflict with the school bus schedules. The route will be Montfort Drive to Route 206N to Hillsborough Road to Amsterdam Drive. There will be a maximum of 10 trucks at any one time. The contractor has a street sweeper which will be available. There will be about two weeks of hauling for each basin. The soil has been tested and the results have been supplied to Hillsborough.
Mr. Cline testified there is a soil erosion permit with a requirement for a stone tracking pad to minimize the tracking of dirt onto the streets. He read some of the conditions in the soil hauling permit application into the record.
