

The Recreation Committee provides advice and assistance to the Recreation Director in the planning, coordination, and implementation of a balanced recreation program for the Township. To this end, a primary function of the Committee is to connect with Township residents from various community organizations and work to engage them in the planning process and, when appropriate, incorporate them into established programs. The Recreation Committee also periodically reevaluates the Township Recreation Master Plan and makes recommendations to the Township Committee.

Meetings: The Recreation Committee generally meets the 2nd Tuesday of January, March, June, September, and October at 7:00 PM in the Otto Kaufman Community Center (CC).
