4. **RESOLUTION HONORING MONTGOMERY TOWNSHIP POLICE**

WHEREAS, The health, safety, and security of our citizens is important to the happiness, prosperity and well-being of the Township's families, communities; schools, and visitors; and

WHEREAS, Montgomery is the proud home of 30 dedicated police officers who put their lives on the line to keep our community safe and secure; and

WHEREAS, These officers stand as leaders educating the community about the importance of public safety and community awareness; and

WHEREAS, Montgomery's police officers, along with six civilian support staff have woven themselves into the fabric of the community; and

WHEREAS, The Township Committee is appreciative of the extraordinary efforts and sacrifices made by officers and their family members on a daily basis in order to protect our schools, workplaces, roadways, and homes; and

WHEREAS, On behalf of the residents of Montgomery Township we convey our utmost support and gratitude for every tragedy averted, every accident avoided because an officer took a drunk driver off the streets, every child made safer because a criminal was brought to justice, and every life saved because police officers raced to the scene.

NOW, THEREFORE, BE IT RESOLVED That the Montgomery Township Committee celebrates those who protect and serve us every minute of every day, and we honor the courageous officers who devote themselves so fully to the safety of others.

- 4-1. Deputy Mayor Trzaska moved the adoption of the foregoing resolution. The motion was seconded by Committeewoman Graham and carried unanimously.
- 4-2. Police Captain Palmer expressed his appreciation to the Township Committee for acknowledging all who work for the Montgomery Township Police Department. He explained that not only do the officers serve in general police patrol capacities, but they also involve themselves in very complex law enforcement issues that go above and beyond answering calls for service every day.

Captain Palmer introduced the following Police officers and gave a brief description of their duties: Sergeant Kurt Rock, Officer Dewitt Giles, Officer Ryan Gray, Detective Brian Hofacker, Officer Daniel Balinski, Officer Joseph Ceccato, Sergeant Andrew Perry, Detective William Wilkes, Sergeant Silvio Bet, Officer Christopher Bleistine and Officer Sean Sullivan.
- 4-3. Committeeman Sugden explained that it was his suggestion that this resolution be presented. He stated that the officers did an exemplary job and deserved praise and he knows that most of the residents feel the same way.
- 4-4. Mayor Madrid stated that she felt honored to work with such a fine group of individuals. She explained that she has heard many compliments about the Police officers and she and the residents have such high regard for every one of them.
- 4-5. Committeewoman Graham stated that the current times are extraordinary and being a Police Officer is such a dangerous job. She appreciated their professionalism and the willingness to go out every day and serve the township

5. **PUBLIC COMMENT**

5-1. Eric Weitze, Viburnum Drive, spoke about the condition of Dutchtown-Zion Road. He asked for a status report on the dealings with Hillsborough Township. Township Administrator Donato Nieman stated that nothing had changed and that Hillsborough did not want to spend the money to pave the portion of the road. Mr. Weitze gave a brief background of the situation and he suggested that Montgomery Township just pave the road and be done with it.

Deputy Mayor Trzaska asked if there was ever an estimate given for the work needed. Administrator Nieman stated that he believed there was but did not have it on hand. Mayor Madrid asked if Mr. Nieman could get a copy of that estimate to the Township Committee for their review.

Committeewoman Graham suggested that the Township revisit the 1978 agreement between Montgomery and Hillsborough Townships regarding the care of the roads. She stated that maybe some re-negotiating needed to take place. Administrator Nieman stated that in his last conversation with an official from Hillsborough Township, he was told that they would close their portion of the road before they would pave it. Attorney Hadinger remarked that they could only close the road in concert with Montgomery, if there was an immediate safety issue.

Township Administrator Nieman noted that the major issue with the road being paved was the environmental permits that would be needed. He explained that the New Jersey Department of Environmental Protection would need to get involved as there were freshwater wetlands involved. It could be done, but the problem is the amount of financing that would be needed.

Deputy Mayor Trzaska requested that Administrator Nieman provide them with an assessment of all of the options and costs for the road. He also asked that Administrator Nieman find out what would be allowed by the Department of Environmental Protection.
