ENGINEERING DEPARTMENT

IMPORTANT NOTICE

PUBLIC INFORMATION SESSION, Wednesday, August 21, 2019, 4-7 PM

Dear Resident:

August 5, 2019

A Public Information Session will be held in the **Former Court Room of the Montgomery Township Municipal Building, 2261 Route 206, Belle Mead on Wednesday, August 21, 2019 from 4-7 PM.** Please use the south entrance (right side). All other doors are locked after 4:30 PM so signs will be posted to direct you.

The session will go over proposed intersection improvements to **Orchard and Opossum Road.**

This session format is informal so you may come in **at any time and duration** in these hours to ask questions, review plan exhibits, and discuss the proposed improvements. Representatives from the Township Administration, Engineering Department, and Police Department will be available to discuss the project. If you cannot attend, feel free to call us or visit the Engineering Department during normal business hours to review plans.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Herrmann".

Mark Herrmann, PE, CME, CFM
Assistant Township Engineer
