

# NEED FOOD??

We are trying to connect Montgomery families in need of food assistance, with various resources in our community. If you, or someone you know can use some help, please reach out to any of the resources below.

## MONTY CARES

Coronavirus has hit Montgomery & Rocky Hill, resulting in many people out of work and unable to obtain the food they need for their families.

Many are stuck in their homes and can't risk going into public due to age, compromised immune systems, pre-existing medical conditions, lack of mobility, and more.

A consortium of community groups, individuals, and leaders have come together to help match those who are willing to help with those in need, and with applicable resources.

Please visit

if you are in need of  
assistance or if you  
would like to  
volunteer.
